¹ Within the context of the orientation teaching placement module, the teaching placement lasts 4 weeks and requires students to be present in the primary school for 20 days. Of a total of 90 hours, 60 hours should be completed in the classroom (observation and practice in pedagogical situations) and 30 hours should be completed outside the classroom (e.g., conferences, teamwork, or extracurricular activities in all-day schooling). If students fall short of the required hours, they must provide an explanation on the back of this document.
